INSPECTOR NOTES

Complainant alleged chicken ranch dug a new ditch by the road causing stormwater to go to the stree. Complaint unjustified. Complainant saw what she thought was newly dug ditch while driving about 30 mph. I did not see a new ditch, however, the chicken ranch recently removed the sediments on the canal along road to allow stormwater to flow to the culvert under the road. I verified my observation by calling Alan Armstrong, the owner of the chicken ranch. I informed the complainant of the situation.
